

SASKPIC

Spring Telehealth Education & Chapter Meeting June 16th, 2010

1315-1415 EDUCATION SESSION

Open to all Staff

- Did you miss out on going to the **CHICA National Conference** held in Vancouver, May 29 - June 3rd, 2010? Not to worry, SASKPIC Infection Prevention and Control Professionals who did attend will be bringing back the highlights and sharing with you what was hot in the education topics and in the new technology/ products seen at the vendor fair. Don't miss out on this excellent opportunity to participate locally in the "Golden Opportunities - Soaring to New Heights" CHICA conference material.

1415-1515 CHAPTER MEETING

Open to SASKPIC members only*

- Agenda to follow by email

To Register:

Contact your local health region's telehealth provider. Please note: This date is being held open by your health region's telehealth provider. Please register as soon as possible, as your telehealth provider will only hold this reservation for a short time. If no one registers, the time slot will be released. Book now to ensure you can attend.

*Not a SASKPIC Member? To join this group of health professionals dedicated to infection prevention and control, contact Vi Burton @ vburton@kthr.sk.ca
