

# The Canadian Journal of **INFECTION CONTROL** Revue canadienne de **PRÉVENTION DES INFECTIONS**

The official journal of the Community and Hospital Infection Control Association – Canada • Association pour la prévention des infections à l'hôpital et dans la communauté – Canada

*The official journal of The Community & Hospital Infection Control Association – Canada*

*Association pour la prévention des infections à l'hôpital et dans la communauté – Canada*

## 2010

The Canadian Journal of Infection Control is **dedicated to the control of infection in hospitals and the community**. Written by Infection Control Professionals for Infection Control Professionals – the Journal plays a vital educational role within the health care system. The Journal is committed to providing leading edge, timely information on issues relevant and appropriate for Infection Control Professionals throughout Canada.

**The controlled circulation of 2500 reaches the people who make – and influence – the purchasing decision of infection control products and services within Canadian hospitals and institutions.**

**This qualified readership includes:**

- Infection Control Professionals – all members of CHICA-Canada
- Staff of acute and long-term care hospitals and extended care facilities
- Medical microbiologists
- Infectious disease specialists
- Public health and community medicine specialists
